

ICFA mini-Workshop on "Mitigation of Coherent Beam Instabilities in
particle accelerators" MCBI 2019

MCBI

Contribution ID: 6

Type: **not specified**

**Review of instabilities with ions or/and electrons
and possible mitigations**

Monday 23 September 2019 18:00 (30 minutes)

Presenter: METHER, Lotta (CERN)

Session Classification: Session 1
