

ICFA mini-Workshop on "Mitigation of Coherent Beam Instabilities in  
particle accelerators" MCBI 2019

MCBI

Contribution ID: 32

Type: **not specified**

## **Optimization design and impedance sources in low emittance rings**

*Wednesday 25 September 2019 16:30 (25 minutes)*

**Presenter:** NAGAOKA, Ryutaro (Synchrotron SOLEIL)

**Session Classification:** Session 5
