

ICFA mini-Workshop on "Mitigation of Coherent Beam Instabilities in  
particle accelerators" MCBI 2019

MCBI

Contribution ID: 34

Type: **not specified**

## **Low-impedance beam screen design for future colliders**

*Wednesday, 25 September 2019 17:20 (25 minutes)*

**Presenter:** ARSENYEV, Sergey (CERN)

**Session Classification:** Session 5
