

REFEDS Federation 2.0 Working Group

Tom Barton, UChicago and Internet2

Basics

Review the lessons of building and operating identity federations and look forward to how federation may need to evolve

- <https://wiki.refeds.org/display/GROUPS/Federation+2.0>
- Background
 - Series of [Federation 2.0 REFEDS blogs](#)
 - [FIM4Rv2](#)
 - [Scenario Planning](#)
- ~20 members
- Time zones from Alaska to Sri Lanka
- Co-chairs: Judith Bush (OCLC), me

“Boundary and center”

Exercise to sample range of ideas WG members associate with our work

OIDC, IRMA, IoT, ecosystem, aaS, proxy, test, agreements, delegation, certification, vision, value, commercial research?, user-centric, what the heck is, maturity, stakeholders, communities, design and use, functional purpose, K-12?, small campuses, motivation, UI/UX/inclusive design, communication, new people, sustaining critical services, non-R&E SPs, vendor competition, trust, privacy, accountability, autonomy, consent, freedom from bias, identity, calmness, libertarian paternalism, environmental sustainability

Arc of work

Feb - Jun	Collect survey data + unstructured reflections Analyse data Report: methodology, synthesis
TNC19	All day face-to-face meeting to create future scenarios
Jul - Oct	Through lenses provided by the scenarios determine: <ul style="list-style-type: none">• What should be the mission of R&E Federations?• What gaps are there between these futures and how R&E Federations are prepared, as we can determine from the collected data?• What are the most important things we believe R&E Federations and others should do to prepare for these futures? Draft report
Nov - Jan	Consultation, webinars, final report

Your input requested!

- Survey questions
- Who to ask for unstructured reflections
 - Open call, but some to be specifically invited
- What do you want to see come from this effort?

Go to this [boardthing](#) and add your sticky notes.

Yes, right now! You **are** the presentation!
