

Exact solutions of relativistic bulk viscous hydrodynamics

Friday 7 December 2018 11:00 (25 minutes)

Partially supported by the Hungarian - Ukrainian Academies of Sciences Mobility Project NKM-69/2018 and the grants mentioned at the end of this presentation.

Presenters: NAGY, Marton (MTA KFKI RMKI); NAGY, Marton (Institut of theoretical physics Eotvos Lorand University (HU))

Session Classification: Classical field theories: hydro and gravity
