

# Zimányi School 2018

## Thursday 6 December 2018

### Effective theories and intermediate energies - Bldg 3, Council room (11:00 - 12:30)

time	[id] title	presenter
11:00	[52] Hadron physics at J-PARC	OZAWA, Kyoichiro
11:25	[53] Xi baryon production in sub-threshold p+A collisions	ZETENYI, Miklos ZETENYI, Miklos
11:50	[54] Statistical theory of photon gas in plasma	MATI, Peter MATI, Peter
12:15	[55] A statistical model for low-energy hadronic cross sections	Mr BALASSA, Gábor
