

Zimányi School 2018

Friday 7 December 2018

Classical field theories: hydro and gravity - Bldg 3, Council room (11:00 - 12:30)

time	[id] title	presenter
11:00	[73] Exact solutions of relativistic bulk viscous hydrodynamics	NAGY, Marton NAGY, Marton
11:25	[75] Einstein Telescope	Dr VASÚTH, Mátyás
11:50	[76] Einstein Telescope, further details	FENYVESI, Edit
12:05	[77] General Relativity experiment with spin polarized light-ion beams?	LASZLO, Andras
