

# CHATS on Applied Superconductivity 2019

## Tuesday, 9 July 2019

### Session III: Electromagnetics (14:40 - 15:40)

-Conveners: Sylvie NICOLLET

time	[id] title	presenter
14:40	[51] A-formulation method for full 3D FEM computation of the superconducting magnetization.	SOLOVIOV, Mykola
15:10	[53] Field Quality Analysis in the HTS Dipole Insert-Magnet Feather M2 with the Finite Element Method.	BORTOT, Lorenzo
