

**Session Program**

**13-17 May 2019**

**6th EIROforum School on Instrumentation**

***Artificial intelligence highlight***

ESTEC, Noordwijk, The Netherlands

# Thursday 16 May

14:00

## Artificial intelligence highlight: Lectures

Session | Location: ESTEC

14:00-14:45 **Introduction to AI and Machine Learning**

**Speaker**

Jose Martinez-Heras

14:45-15:30 **Introduction to Deep Learning and its applications in Particle Physics**

**Speaker**

Lorenzo Moneta

15:30

15:45

## Artificial intelligence highlight: Hands-on

Session | Location: ESTEC

15:45-16:45 **Artificial intelligence highlight: Hands-on**

**Speaker**

Jose Martinez-Heras

16:45-17:00 **Break**

17:00-17:45 **Artificial intelligence highlight: Hands-on (part II)**

**Speaker**

Lorenzo Moneta

18:30
