

Session Program

11 December 2018

LHC-EW WG: Jets and EW bosons ***Kickoff discussion on substructure***

CERN

Tuesday 11 December

15:10

Kickoff discussion on substructure

Session | **Location:** CERN

15:10–15:30 Substructure studies ATLAS

Speakers

Ben Nachman, Mario Campanelli

15:40–16:00 Jet Substructure and Mass Measurements at CMS

Speaker

Salvatore Rappoccio

16:10–16:30 Jet substructure and related measurements at LHCb

Speaker

Philip Ilten

16:40
