Diversity and Inclusion in CMS and US CMS Collaboration

Thursday, August 1, 2019 2:40 PM (20 minutes)

The CMS collaboration board created a diversity committee in 2017. In this presentation we will discuss the mandate, the experiences of this committee. We will include a statistical analysis of the CMS demographics, as well as that of the US CMS collaboration. We will also discuss some of the activities of the CMS Women's forum, a self-formed group within CMS.
