**RADCOR 2019**

***Tuesday Morning B***

## Tuesday 10 September

09:00

### Tuesday Morning B

**Session** | **Location:** Cubiculaire | **Convener:** Konstantinos Papadopoulos

09:00–09:25

#### Fiducial differential cross sections at the LHC and their future applications

**Speaker**

Dr Xuan Chen

09:30–09:55

#### Top-quark hadroproduction in NNLO QCD

**Speaker**

Simone Devoto

10:00–10:25

#### NNLO mixed EW-QCD corrections to single vector boson production

**Speaker**

Dr Narayan Rana

10:30

11:00

### Tuesday Morning B

**Session** | **Location:** Cubiculaire | **Convener:** Konstantinos Papadopoulos

11:00–11:25

#### Mixed EW-QCD corrections to the higgs decay into bottom quarks

**Speaker**

Ulrich Schubert

11:30–11:55

#### Mixed EW-QCD two-loop corrections to Drell-Yan production

**Speaker**

Matthias Heller

12:00–12:25

#### Mixed QCD x QED Corrections to Drell-Yan Z Production

**Speaker**

Ignacio Fabre

12:30
