

## **Session Program**

**13-16 Aug 2019**

**Dark Matter @ LHC 2019 (DM@LHC)**

***Interpretations and ML***

Kane Hall 225, Walker-Ames

## Thursday 15 August

11:00

### Interpretations and ML

**Session** | **Location:** Kane Hall 225, Walker-Ames | **Convener:** Ben Nachman

11:00–11:17

#### Dark Matter interpretation with global fitting

**Speaker**

Anders Kvellestad

11:22–11:39

#### Exploring light Supersymmetry with GAMBIT

**Speaker**

Matthias Danninger

11:45–12:02

#### Machine Learning in particle theory

**Speaker**

Jack Collins

12:07–12:24

#### Machine Learning in particle experiments

**Speaker**

Dan Guest

12:30
