Plan S in Italy

Thursday 20 June 2019 18:00 (15 minutes)

The Italian Institute for Nuclear Physics (INFN) is a first-time player in the OA scenario, being promoter and coordinator of SCOAP3 and OA2020 nation-wide along with CRUI, the Conference on Italian University Rectors. INFN has joined Plan S since the beginning and is performing an extensive outreach programme targeted to Universities and Research institutes. The report will include highlights on peculiarities in the Italian Academic system.
