

Project Manager's Report

Colin Whyte

Equipment

- **RAL** – disposal complete – hall largely stripped perhaps ‘over-stripped’
- **Daresbury** – ‘Berkeley’ RF and other equipment still in hall
 - Paperwork in process for disposal.
 - Not simple C Jamieson working with M Palmer in US.

Equipment

- >£150k value RF valves remain.
- ISIS have 2 x Solid state RF drivers - > £20k ea.
- High value solid state crowbars remain at Daresbury.
- Five Sumitomo cryo-coolers to TD.
- Linde fridge -£50k- or perhaps 3x that if a customer can be found. ISIS investigating use of DS in MICE hall.
