

Student's Zone 2019 of the NICA Project

Contribution ID: 5 Type: **High-performance computing: installation, maintenance, operation**

Management of large-scale physics simulations

Thursday 4 July 2019 09:30 (10 minutes)

Development of tools for running and monitoring large-scale Monte-Carlo simulations of physics events, using existing physics models and large-scale computing infrastructure of JINR (LIT, NICA Cluster, others).

Author: KISIEL, Adam (Warsaw University of Technology (PL))

Presenter: KISIEL, Adam (Warsaw University of Technology (PL))

Session Classification: Presentations of topics

Track Classification: Team for the Future of NICA
