

ECFA

European Committee for Future Accelerators

Action items from previous meeting

Jorgen D'Hondt (Jorgen.DHondt@cern.ch)

RECFA meeting, March 2nd, 2019, Madrid

Action items – November 14, 2018

- Finalise the letter for the Netherlands
- Finalise the scope of the Software skills census, and inform RECFA members on potential actions
- Present the concrete proposal of the ApPEC+ECFA+NuPECC working group on a Joint Seminar
- Schedule a presentation from the ApPEC+ECFA+NuPECC working groups on a diversity charter
- On the basis of our discussion and agreement at this meeting, initiate the working group on the Higgs physics potential at future colliders
- Create the ECFA Newsletter #2
