

Quark Matter 2019 - the XXVIIIth International Conference on Ultra-relativistic Nucleus-Nucleus Collisions

Tuesday 5 November 2019

Parallel Session - Heavy Flavor I - Ball Room 3 (11:00 - 12:40)

-Conveners: Roberta Arnaldi

time	[id] title	presenter
11:00	[172] Latest results on Λ_c and D production in pp and Pb-Pb collisions at $\sqrt{s_{\rm NN}} = 5.02$ TeV with ALICE at the LHC	INNOCENTI FOR THE ALICE COLLABORATION, Gian Michele
11:20	[90] Charm-hadron production in pp and AA collisions	HE, Min
11:40	[69] Sequential Hadronization with Charm Conservation in High Energy Nuclear Collisions	ZHAO, Jiaxing
12:00	[183] Beauty production with ALICE at the LHC	THOMAS FOR THE ALICE COLLABORATION, Deepa
12:20	[153] Diffusion of charm quarks in jets in high-energy heavy-ion collisions	WANG, Sa
