Beginner's Lessons

ANNUAL GOLF MEETING, Feb. 6, 2019

- Group lessons **once per week** during 6 weeks:
 - 1h30 per lesson.
 - Usually on Saturdays at 1.30pm.
- **Golf course:** *Jiva Hill*
- **Teacher:** *Cedric Steinmetz*
- **Cost:**
 - 160 euro per participant. 70 euro paid by participant, 90 paid by AP subsidy.
- **In 2018 we organised 1 group:**
 - Spring: 6 players selected, but 2 people inscribed but did not show up ! (1 claimed shoulder injury, 1 claimed unavailability on first lessons)
 - Too late to replace.
- We advertised through all CERN clubs and received many candidates (>20).

PLANS for 2019

- **Organize one** session for beginners in spring.
- Ask payment up front of 160 Euro. Reimburse 80 Euro if at least 5 out of 6 lessons attended.
- We have more candidates, so we can/must be more selective: prefer candidates that are:
 - at CERN for more than a few years
 - eager to continue after initial lessons.
- Spend more effort (& some money?) to bring these people to green card.
- Invite candidates to an introduction & discussion session.
- We welcome any help from members to guide & integrate the newcomers into the club.

Thank you !
