Privacy Notice for the 75th SUSSP / 20th STFC Summer School in Nuclear Physics and its Applications

Your Personal Data

The 75th SUSSP / 20th STFC Summer School in Nuclear Physics and its Applications, herewith referred to as the Summer School, will be what’s known as the ‘Data Controller’ of your personal data processed in relation to your registration. This privacy notice will explain how the Summer School will process your personal data.

Why we need it

We are collecting your basic personal data such as name, email address/contact details, year of your graduate programme and funding source and, where relevant, limited special categories data (such as dietary and any other special requirements) in order to assess your application to the Summer School, book your accommodation and ensure any special requirements you have are catered for. We will only collect data that we need in order to provide and oversee this service to you.

Legal basis for processing your data

We must have a legal basis for processing all personal data. In this instance, the legal basis is consent, which you provide by ticking the associated box on the registration page.

What we do with it and who we share it with

• All the personal data you submit is processed only by the Summer School organising staff.

• Only your name and affiliation will be displayed in the “participant list” on the registration page and will be openly accessible.

How long do we keep it for

Your data will be retained by the organisers for 3 months after the summer school has ended. After this time, data will be securely deleted.

What are your rights?

If at any point you believe that the information we process relating to you is incorrect, you can request to see this information and have it restricted, corrected or erased. You also have the right to withdraw your consent at any time. If you wish to exercise any of these rights, please contact ssnpa2019@gmail.com.
