

FLASY2019

**The 8th Workshop on Flavor Symmetries
and Consequences in Accelerators
and Cosmology**

Thank you all

speakers, participants and organizers

**Your efforts made the FLASY 2019 run smoothly
and hopefully achieved what set out to do.**

The workshop is intended to bring together researchers in the field of flavor symmetries, neutrino physics, CP violation, accelerator physics and cosmology to present new results, stimulate discussion and new collaborations.

Registered participants: 116.

Talks : plenary 53 and parallel 20

FLASY2019

The 8th Workshop on Flavor Symmetries and Consequences in Accelerators and Cosmology

We are very grateful for supports from

Thanks for the leadership of

FLASY 2019 Chair: **Guijun Ding**

Co-Chair Xiao-Gang He

In particular, LOC member **Dao-Neng Gao**, for local arrangement at USTC.

The secretary team

TDLI: Zi Yang. USTC: Yuping Wu, Hong Li, Limin Wang, Rongmei Li,

Scientific Secretary Team

TDLI: Gongjun Choi

USTC: Xi Gong, Hao-Min Rao, Ping-Tao Chen, Xiang-Gan Liu, Jun-Nan Lu, Bu-Yao Qu, Cai-Chang Li.

Come back to visit Shanghai and Hefei.

See you at future FLASY meetings!?

Have a nice trip home.
