

PSD12: The 12th International Conference on Position Sensitive Detectors

Monday, September 13, 2021

Detectors for FELS, Synchrotrons and Other Advanced Light Sources - Teaching and Learning Building (9:15 AM - 10:50 AM)

-Conveners: Nicola Tartoni; Philip Patrick Allport

time	[id] title	presenter
9:20 AM	[13] Detectors for FELS, Synchrotrons and Other Advanced Light Sources	GRAAFSMA, heinz
9:50 AM	[14] Timepix4 timestamping detector for synchrotron applications	PENNICARD, David
10:10 AM	[15] Prototype Characterization of a Charge-integrating Pixel Detector Readout Chip with In-pixel A/D conversion	LI, Mujin
10:30 AM	[15] Advancing the JUNGFRAU detector towards low-energy X-ray applications	Dr HINGER, Viktoria
