Student discussions

Friday 9 August 2019 13:00 (1h 30m)

Topics:

- How to continue after the programme
- Feedback to the programme
- Creating value from open source
- Shares and shareholder's agreements
- Team members in the founding team
- IP, freedom to operate etc.
- B2B pricing strategy

We'll be using a digital communication tool for the discussions to ensure everybody can have a saying on the topics, and to keep the great thoughts after the discussion.
