

Session Program

27 February 2019

LHC students poster session

Jets and QCD studies

CERN, 61/1-201 - Pas perdue - Not a meeting room -

Wednesday 27 February

17:00

Jets and QCD studies

Session | **Location:** CERN, 61/1-201 - Pas perdue - Not a meeting room -

17:00-17:01 **Measurement of ω mesons in pp collisions at $\sqrt{s} = 7$ TeV with ALICE**

Speaker

Florian Jonas

17:01-17:02

Investigating diffractive processes with the ALICE experiment at the LHC

Speaker

Ernesto Calvo Villar

19:00
