

Session Program

27 February 2019

LHC students poster session

Top quark physics

CERN, 61/1-201 - Pas perdue - Not a meeting room -

Wednesday 27 February

17:06

Top quark physics

Session | Location: CERN, 61/1-201 - Pas perdue - Not a meeting room -

17:06-17:07

Measurement of the single top quark and antiquark production cross sections in the t channel and their ratio in proton-proton collisions at CMS

Speaker

David Seith

19:06
