

## **Session Program**

**10-11 Apr 2019**

## **Muon Collider - Preparatory Meeting**

### ***Detector***

CERN, 503/1-001 - Council Chamber

## Wednesday 10 April

15:20

### Detector

**Session** | **Location:** CERN, 503/1-001 - Council Chamber

15:20–15:30

#### What is different for a muon collider detector?

**Speaker**

Donatella Lucchesi

15:30–16:00

#### Muon Collider neutrino induced radiation hazard and FLUKA simulations

**Speaker**

Paola Sala

16:00–16:30

#### Coffee/tea break

16:30–16:50

#### Machine Background Studies

**Speaker**

Massimo Casarsa

16:50–17:10

#### Detector performances and Object reconstruction

**Speaker**

Nazar Bartosik

17:10–17:30

#### Physics Studies with realistic detector

**Speaker**

Lorenzo Sestini

17:30–18:30

#### Discussion

19:05
