

Nuclear Physics in Astrophysics - X

5–9 Sept 2022
CERN
Europe/Zurich timezone

SECOND CIRCULAR

Geneva, 5 August 2022

Registration

The registration to participate in NPA-X is open. The registration fee and payment options are posted on the [NPA-X website](#). It is mandatory for all those who plan to join in person for accessing the CERN site. In the registration form, please select the option to request access if you plan to participate in person.

The registration is needed also for participating in the event via online connection and for accompanying persons.

The NPA-X Program

The timetable of NPA-X events, including the scientific program, is already posted on the [NPA-X website](#).

Poster session

On Tuesday, 6 September, the NPA-X Poster Session will be held in the CERN main building (next to the main Auditorium, where NPA-X is taking place). Additional information on how to setup your poster and how to attend online will be posted on the NPA-X website.

Excursion + banquet dinner

On Wednesday evening, 7 September starting at 19:00, the registered participants are invited to join an excursion on the *lac Léman* (“lake Geneva”) with a [CGN boat](#). The event includes a banquet dinner. Additional information on the venue and other details will be posted [on the NPA-X website](#).

Accommodation

Information on hotels near CERN are posted on the [NPA-X website](#). There is a possibility to use the CERN hostel. You can make your own application (if places are available) on the [CERN dedicated website](#). Please ask the npax-secretariat@cern.ch if you need additional information.

Support for students and young participants

Some support for a limited number of young participants (students or young post-docs) is available upon request. The support will be only for paying the accommodation in the CERN hostel (if rooms are still available). Please contact the npax.secretariat@cern.ch for additional information.

Proceedings

The contributions to NPA-X will be published by EPJ Web of Conferences. All information on how to submit a contribution, templates, etc. are posted on the proceedings web interface [EPJ Web of Conferences interface \(SAGA\)](#)

We are looking forward meeting you at the Nuclear Physics in Astrophysics – X

The Local Organizing Committee

Enrico Chiaveri, CERN, Geneva, CH

Sergio Cristallo, INAF Abruzzo, Italy

César Domingo Pardo, CSIC-University of Valencia, Spain

Sean Freeman, CERN, Geneva, CH, **Co-Chair**

Karl Johnston, CERN, Geneva, CH

Claudia Lederer-Woods, University of Edinburgh, UK

Alice Manna, University of Bologna and INFN-Bologna, Italy (secretariat)

Alberto Mengoni, ENEA Bologna and INFN, Sezione di Bologna, Italy, **Chair**

Giuseppe Tagliente, INFN, Bari, Italy
