

# WONDER - Workshop On Next Dark Matter Experimental Researches at LNGS

## Monday 22 March 2010

**First Session: a general experimental and theoretical framework - "E. Fermi" auditorium (09:30 - 13:30)**

time	[id] title	presenter
09:30	[23] Dark Matter: the experimental quest in the laboratory	RUBBIA, Carlo
10:20	[24] LHC impact on Dark Matter searches	CERDENO, David G.
11:05	Coffee break	
11:40	[25] Phenomenological review on Dark Matter (interaction channels against detection techniques)	FORNENGO, Nicolao
12:30	[26] Review on the impact of indirect Dark Matter searches on direct searches	ULLIO, Piero
