Going Beyond

Session | Location: CERN, 40/S2-C01 - Salle Curie

16:45-16:50 **The scope of this session**

16:50-16:51 **Your new ideas!**

16:50-16:51

Direct (à la semileptonic b-decays) DM searches in B-sector [topic we'd like to discuss]

Speaker

Christopher Smith

16:50-16:51

Indirect (e.g. $B_0 - \bar{B}_0$ oscillations) DM searches in B-sector [topic we'd like to discuss]

Speakers

Monika Blanke, Monika Blanke, Monika Blanke, Monika Blanke

16:50-17:05

What can we do at B-factories that we can't at the LHC in terms of DM searches?

Speakers

Enrico Graziani, Enrico Graziani
