

# The 28th International Workshop on Vertex Detectors

## Friday, October 18, 2019

### Simulation (8:30 AM - 9:30 AM)

-Conveners: Michael Moll

| time    | [id] | title   | presenter                            |
|---------|------|---|--------------------------------------|
| 8:30 AM | M38  | TCAD and recent defect studies                                | Dr PALOMO PINTO, Francisco Rogelio   |
| 9:00 AM | M44  | TCAD advanced radiation damage modelling in silicon detectors | MOROZZI, Arianna<br>PASSERI, Daniele |
