

Scientific part

+ 4 CERN images (1.8x1.8 m)

2

Selfie spot

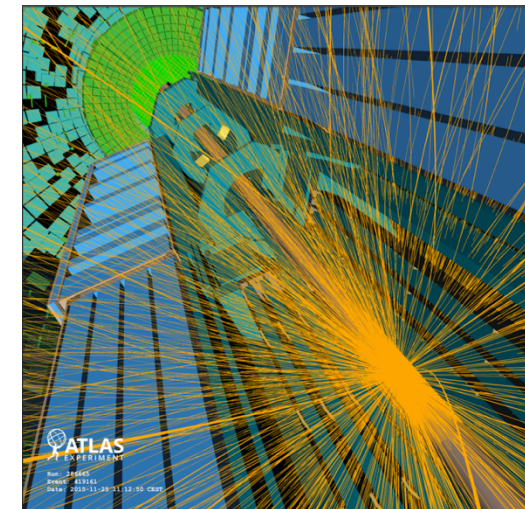

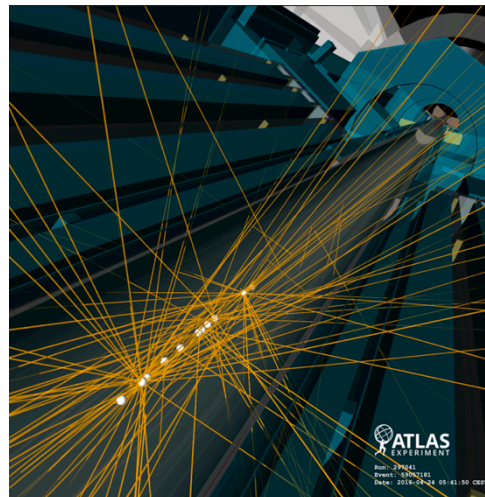

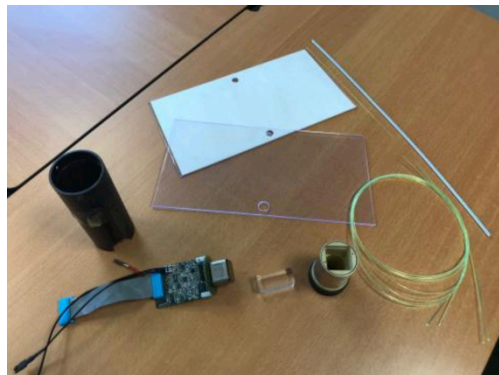

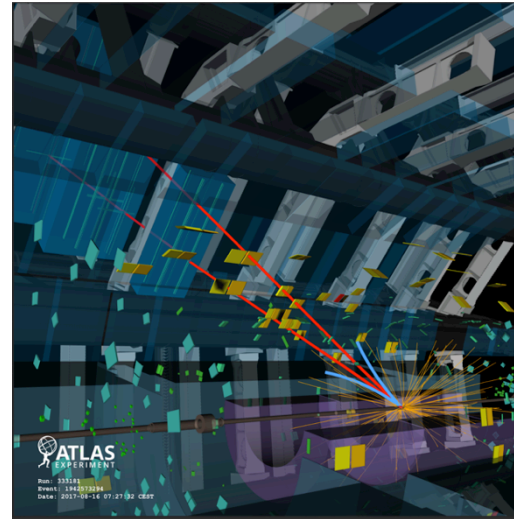

Will bring
CERN helmets

+ ALICE: detector A0 photo

(detector pieces are from Mexico)

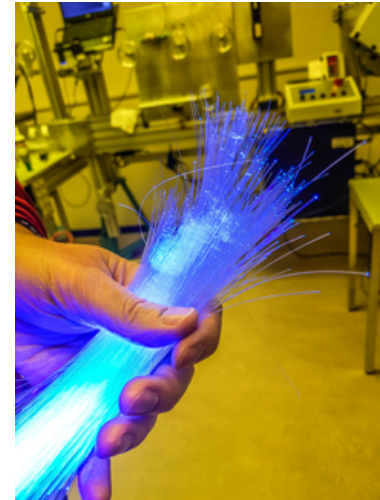

+ ATLAS:
3 Event displays
(1x1 m) and tile
calorimeter
elements.

4

+ CMS: web based tools

+ LHCb: detector A0 photo & upgrade fibres

Inspiration part

+ ORIGIN/exhibit intros

8

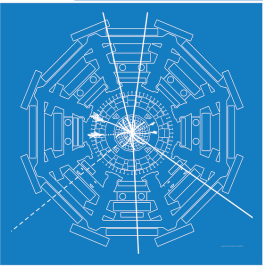

ORIGIN

A network founded by worldwide high energy physics & astrophysics collaborations studying the universe.

A theme that challenges humanity.

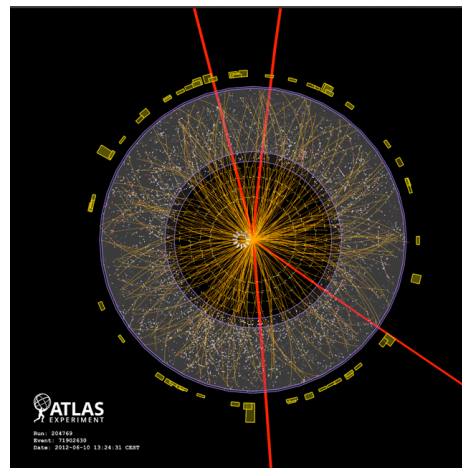

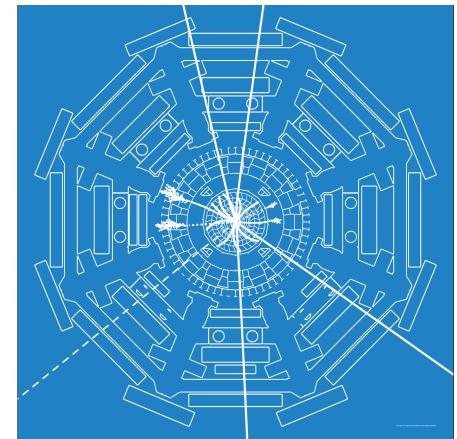

An event where scientists & artists join forces to inspire awe, creativity, critical thinking.

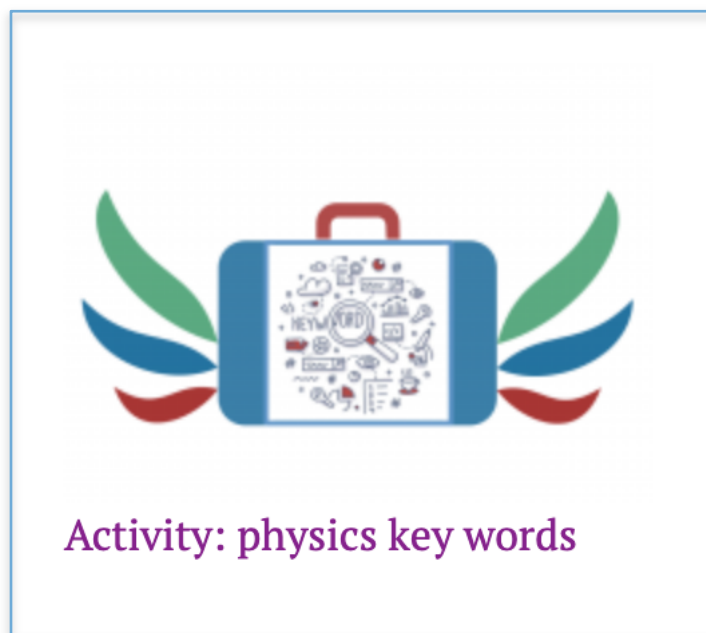

@OriginPhysics
<http://cern.ch/originnetwork>

+ Spanish version
From BUAP ?

+ The ATLAS Higgs stained-glass (4 1x1 m prints)

+ Projected poems about CERN (Spanish translation)
