Introduction — Practicalities

2nd CBG CMS meeting is split in two:

1. Physics, Computing, and Software
[Agenda](#) for Today (April 8th)
2. Computing and Software, Hardware and Engineering
[Agenda](#) for Friday (April 12th)

Meetings are targeted to be

- Periodic \sim two months (next \sim June) Yes/No
- Weeks will be different 1&2 (unlike this time) Yes/No
- Short meetings: 1–2 hours Yes/No

Proposal:

Meet via **vidyo only** except for general CBG meeting.

Introduction — Goals

We need to:

- Assign responsible to CMS computing for Baltics
Past CRB agenda
- Start identifying joint efforts

in order to maximize our presence via “regional” responsibilities.
