LHC Lumi Days 2019

Session 3b

CERN, 874/1-011

Wednesday 5 June

10:45

Session 3b: Luminosity & Emittance in Physics (part A)

Session | Location: CERN, 874/1-011 | Convener: Vladislav Balagura

10:45-11:10

Long-term monitoring of delivered luminosity & calibration stability in CMS

Speaker

Olena Karacheban

11:15-11:40

Long-term monitoring of delivered luminosity & calibration stability in ATLAS

Speaker

Valerie Lang

11:45-12:05

Long-term monitoring of delivered luminosity & calibration stability in LHCb

Speaker

Rosen Matev

12:05
