

8th Beam Telescopes and Test Beams Workshop

Monday 27 January 2020

Facilities & Infrastructure - Building I, Room 317 (17:30 - 19:00)

-Conveners: Blerina Gkotse

time	[id] title	presenter
17:30	[24] The Beamline for Schools competition	SCHÜTZE, Paul
17:50	[37] Non-clinical test beams at MedAustron	ULRICH-PUR, Felix
18:10	[13] Test-beam and irradiation facility for high rates and occupancies with a LHC like beam frequency of 42.5 MHz at the 25 MeV proton cyclotron CYRCé at Strasbourg	GOERLACH, Ulrich
18:30	[28] Fermilab Test Beam Facility Status and Plans	Dr NINER, Evan

Tuesday 28 January 2020

Facilities & Infrastructure - Building I, Room 317 (10:30 - 12:10)

time	[id] title	presenter
10:30	[4] Overview over CERN test beam facilities and updates on their modifications during Long Shutdown 2	Mr RAE, Bastien
10:50	[40] The CERN Proton and Gamma Irradiation Facilities during and beyond the Long Shutdown 2	JAEKEL, Martin Richard RAVOTTI, Federico
11:10	[7] SPS H2 Beam Line Simulation: Energy Loss and Material Impact at HGICAL Test Beam	TOK, Ufuk Guney
11:30	[20] The DESY II Test Beam Facility	SCHÜTZE, Paul
11:50	[32] The Test Beam Facilities Online Database	GKOTSE, Blerina
