

Session Program

22-25 Feb 2010

RD51 mini week

WG4 - Simulation and Software

CERN, IT Auditorium

Tuesday 23 February

14:00

WG4 - Simulation and Software

Session | **Location:** CERN, IT Auditorium**14:00–14:30** **Field calculations using neBEM****Location**

CERN, IT Auditorium

14:30–14:45 **Introduction avalanche statistics****Location**

CERN, IT Auditorium

14:45–15:15 **Avalanche Fluctuations I****15:15–15:45** **Avalanche Fluctuations II****15:45–16:00** **Coffee****16:00–16:15** **Micromesh Electron Transparency****Speaker**

Konstantinos Nikolopoulos

Location

CERN, IT Auditorium

16:15–16:45 **Neutrons in gases****Location**

CERN, IT Auditorium

16:45–17:05 **C++, Geant4 and some management****Location**

CERN, IT Auditorium

19:00
