

Exploration of Particle Physics and Cosmology with Neutrinos  
Workshop2019

Contribution ID: 30

Type: **not specified**

**Asymmetry of electron chirality between  
enantiomeric pair molecules and the origin of  
homochirality in nature**

*Wednesday 12 June 2019 14:35 (15 minutes)*

**Presenter:** SENAMI, Masato (Kyoto University)

**Session Classification:** Other Projects
