

# Wrapping Up and Next Steps

Marion Devouassoux

Project Analyst

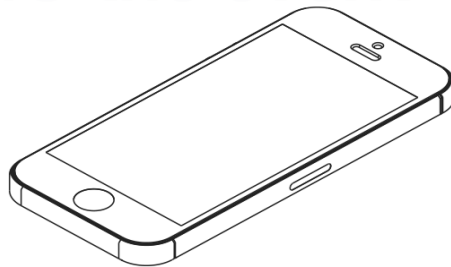

CERN IT Department

# How are we doing so far ?

Go to [www.menti.com](http://www.menti.com) and use the code **89 67 16**

I received enough information about the project  
DURING the event

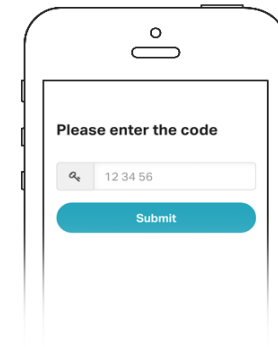

1

Grab your phone

[www.menti.com](http://www.menti.com)

2

Go to [www.menti.com](http://www.menti.com)

3

Enter the code **89 67 16** and vote!

# What's in it for you?

Demonstrate archiving & preservation services with petabyte data volumes and high and sustained ingest rates (1-10 Gbps per day) for multi-disciplinary scientific data

Diversify your service offer while keeping the ownership of the results

Support the open data movement

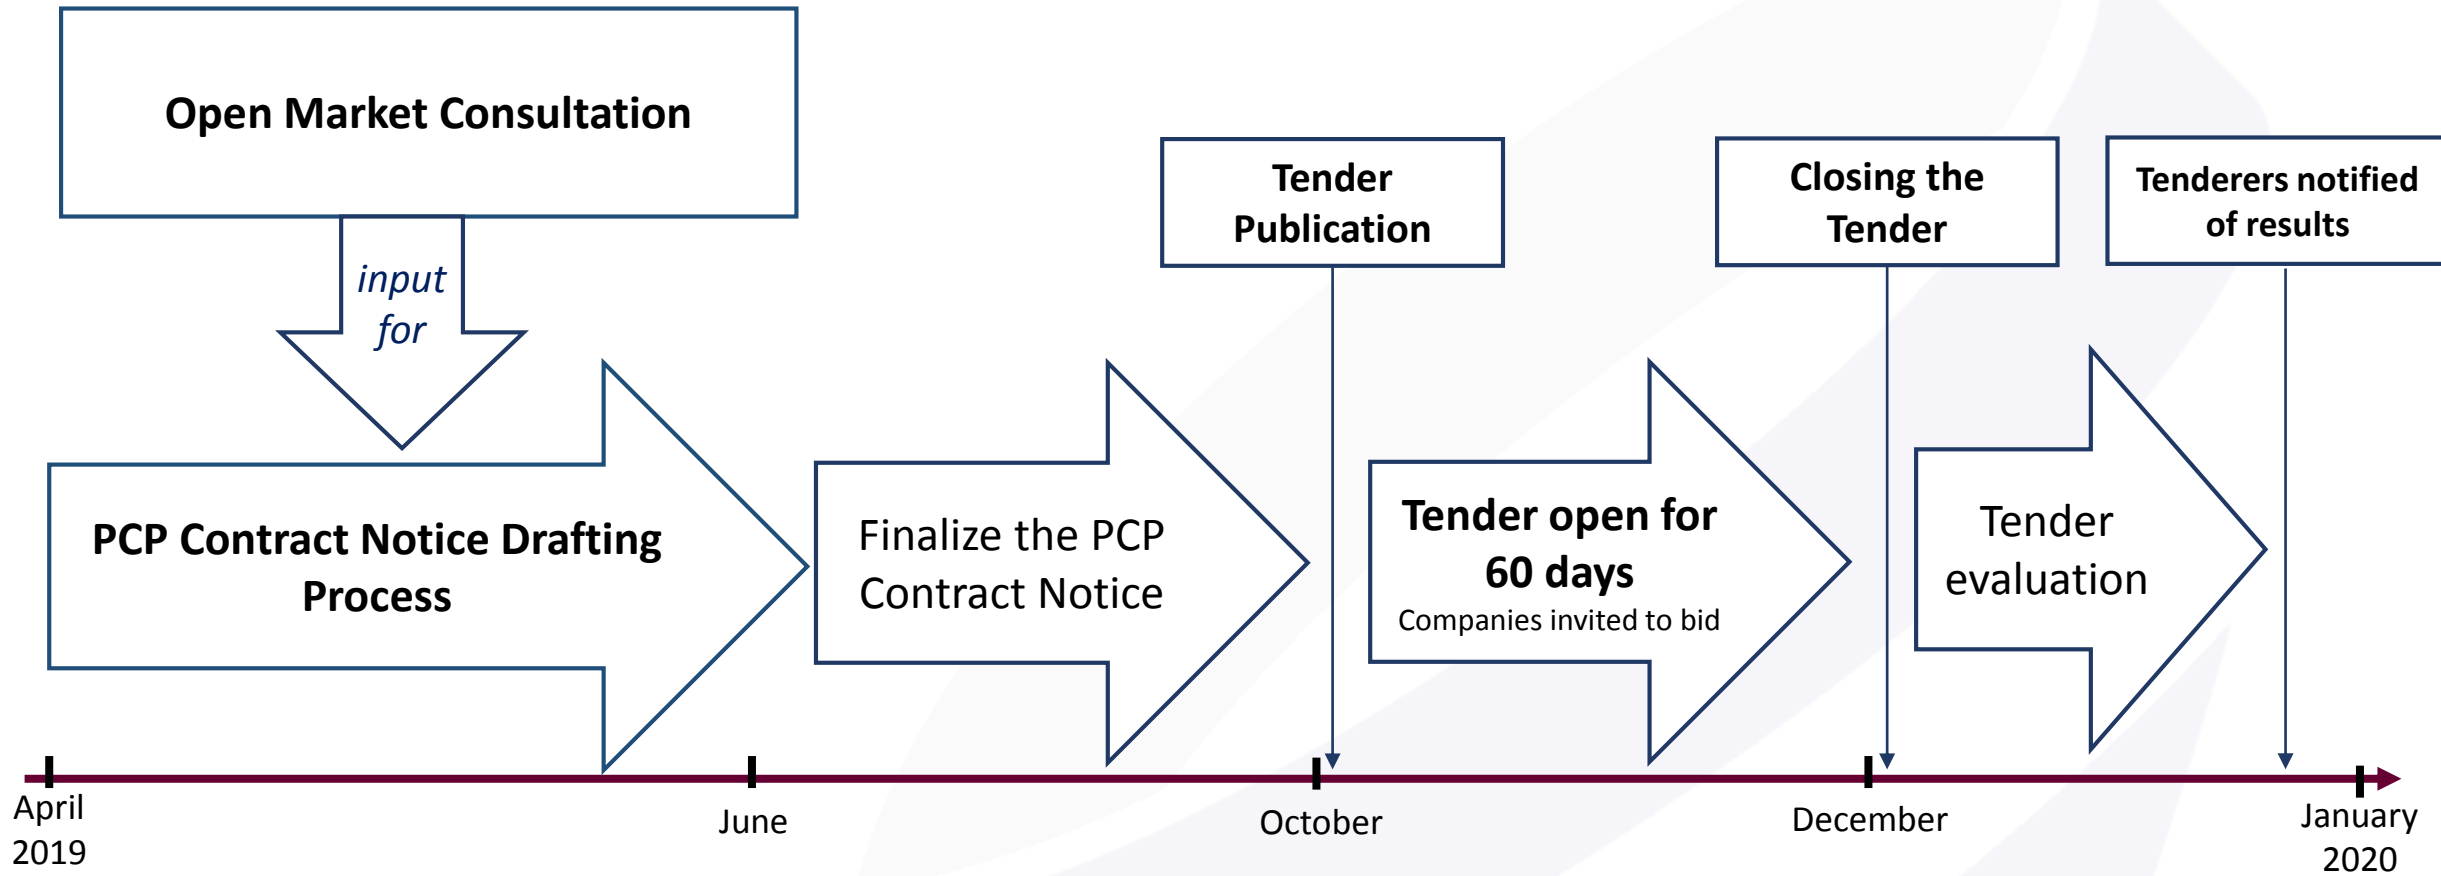

Offer services via the European Open Science Cloud (EOSC) Catalogue

Access the public funded European Research Infrastructures (RIs) as a new market segment

# Overview of the Tender Preparation Phase

Disclaimer: this timeline is for information only and is subject to change

# PCP Contract Notice Drafting Process

- Between April and June 2019
- Transparent and open process
- Draft tender documents available on our [website](#) for consultancy
  - Functional Specifications
  - Qualification Questionnaire
  - Evaluation Questionnaire
  - Deliverables and Milestones
- Additional draft documents will be published after this event

- Comments and suggestions welcome (*the Buyers Group does not commit to take comments into consideration*)
- Publication of new draft versions: following the OMC event in London (23<sup>rd</sup> May)

# Open Market Consultation

- ☁ **Open dialogue** on R&D challenges of the Tender
- ☁ Evolutionary process:

☁ Registration open: <https://www.archiver-project.eu/all-events>

# Find Partners!

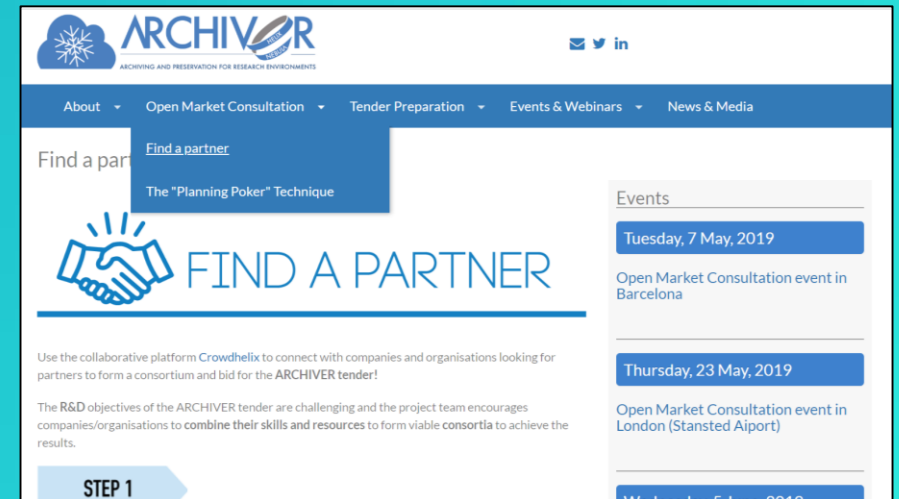

- ☁ Wide-ranging **R&D objectives**
- ☁ Tenderers are required to have **expertise** allowing them to develop Solutions that address all challenges
- ☁ Project team encourages companies/organisations to form **viable consortia**

CrowdHelix = a networking platform

Networking area dedicated to ARCHIVER  
=> **Exchange** with companies interested in bidding for the ARCHIVER tender

- Free of Charge
- Not mandatory

The screenshot shows the ARCHIVER website's 'Find a Partner' page. The page features the ARCHIVER logo at the top left and navigation links for 'About', 'Open Market Consultation', 'Tender Preparation', 'Events & Webinars', and 'News & Media'. The main heading is 'Find a partner' with a sub-heading 'The "Planning Poker" Technique'. Below this is a large graphic of two hands shaking with the text 'FIND A PARTNER'. A text block explains that the R&D objectives of the ARCHIVER tender are challenging and that the project team encourages companies/organisations to combine their skills and resources to form viable consortia. A 'STEP 1' button is visible at the bottom left. On the right side, there is an 'Events' section listing two events: 'Tuesday, 7 May, 2019' (Open Market Consultation event in Barcelona) and 'Thursday, 23 May, 2019' (Open Market Consultation event in London (Stansted Airport)).

# Stay tuned!
