## Logging in to p5.js

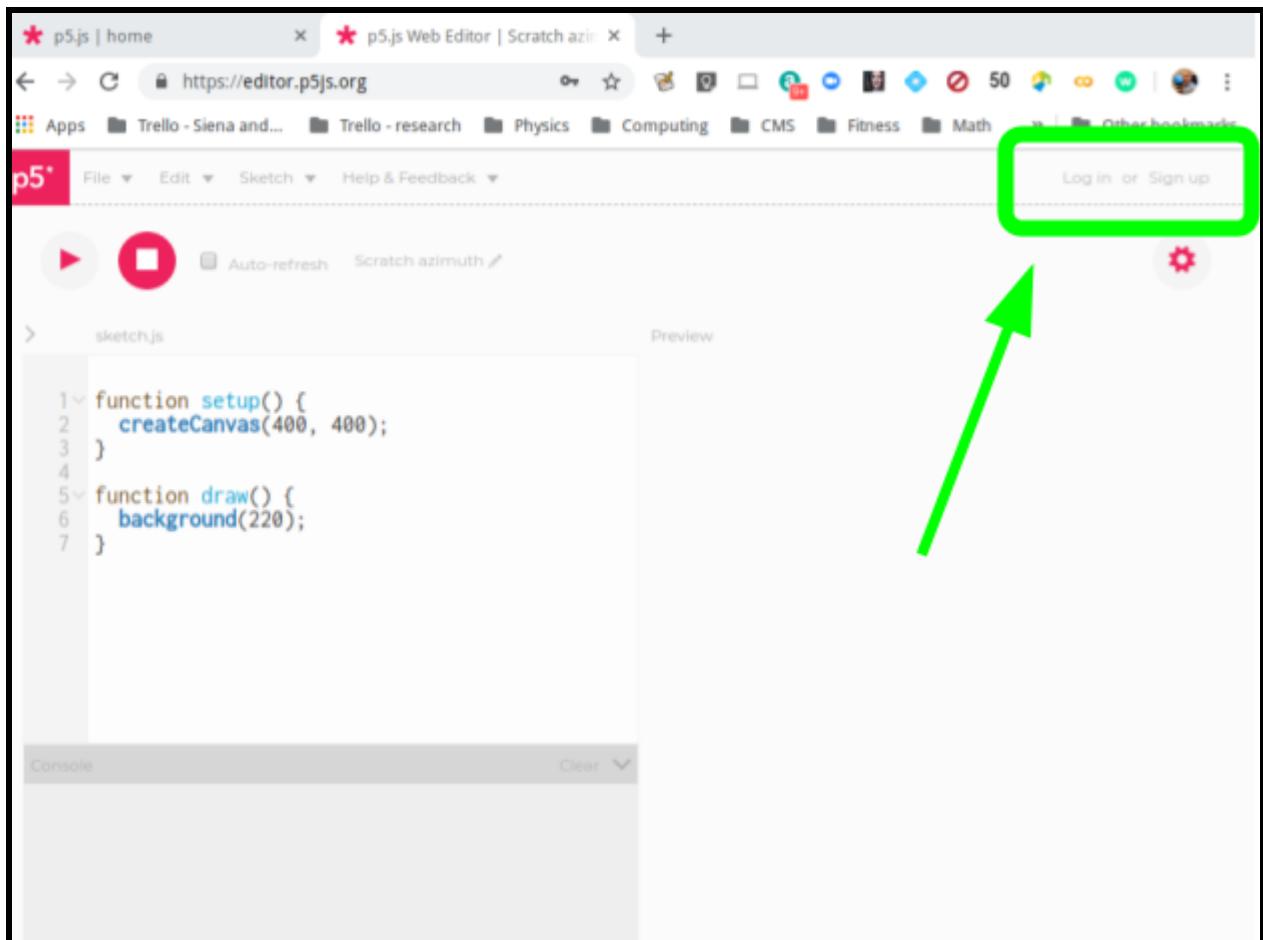

Go to <http://p5js.org/> and look for “Try it out now in the new Web Editor!”

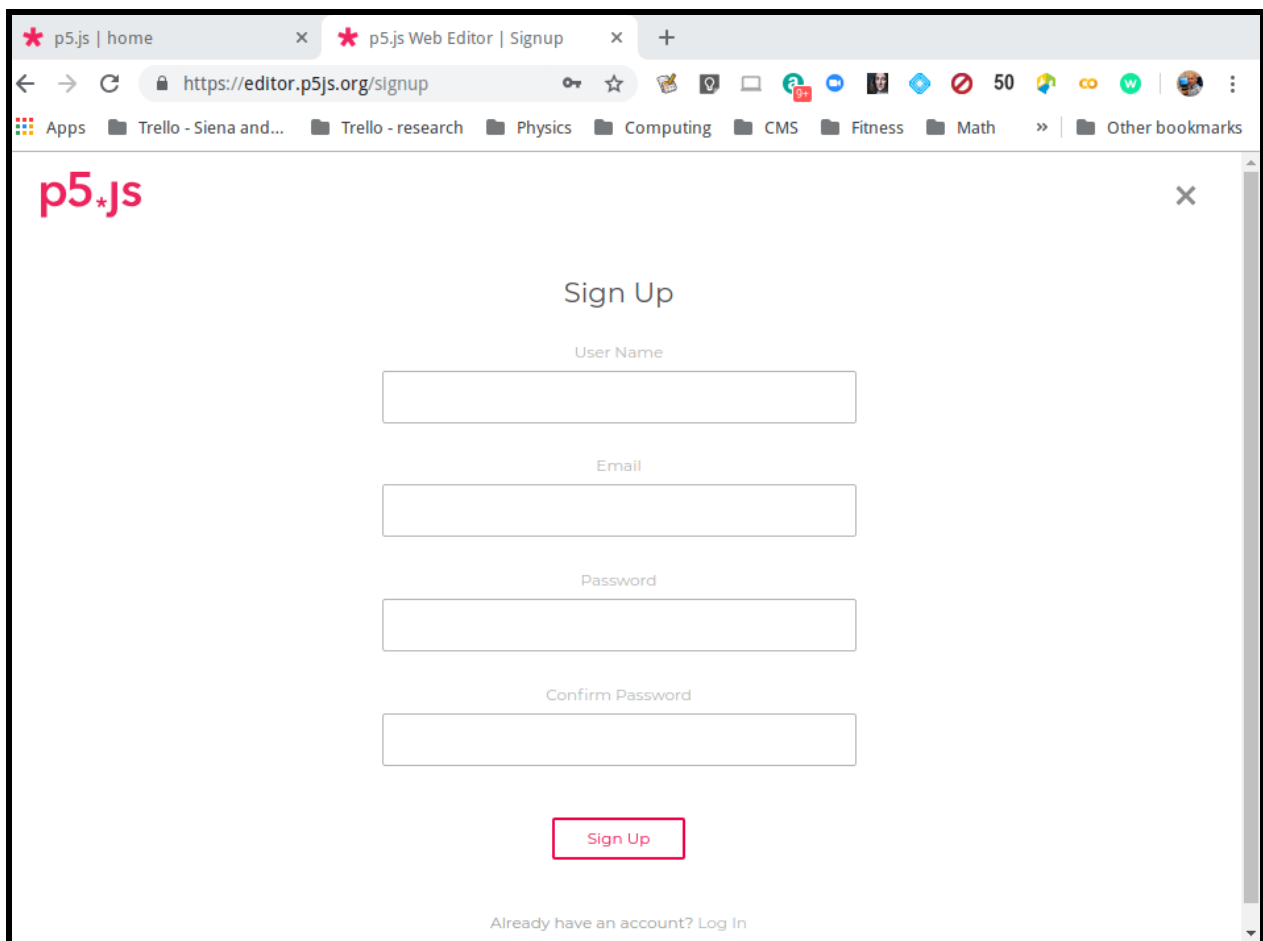

You can also go directly to <https://editor.p5js.org/>

Before doing anything, you'll want to sign up for an account if you don't already have one.

Look for the “Log in or Sign up” link in the upper right of the screen

If you don't have an account, click "Sign up" and then use the login method of your preference.

The image shows a web browser window with two tabs: "p5.js | home" and "p5.js Web Editor | Signup". The address bar shows the URL "https://editor.p5js.org/signup". The browser's bookmark bar contains several folders: "Apps", "Trello - Siena and...", "Trello - research", "Physics", "Computing", "CMS", "Fitness", "Math", and "Other bookmarks".

The main content area of the browser displays the "p5.js" logo in the top left corner. Below the logo, the heading "Sign Up" is centered. Underneath the heading are four input fields, each with a label above it: "User Name", "Email", "Password", and "Confirm Password". At the bottom of the form is a red "Sign Up" button. Below the button, there is a link that says "Already have an account? Log In".

If you have an account, then go ahead and click “Log in” and sign in accordingly.
