

SUMMER STUDENT LECTURE PROGRAMME 2019

Lecture Title

Introduction to Heavy-Ion Physics

Lecturer's Name

Jan Fiete Grosse-Oetringhaus

Email Address

jgrosseo@cern.ch

Short CV

I have been summer student in 2003, got fascinated by CERN and heavy-ion physics and since then been on the ALICE experiment.
I did my PhD at the University of Muenster (Germany) from 2006-2009 based at CERN. Subsequently, I have been CERN fellow and now staff.

Pre-requisites:
earlier series of lectures
that the students
should follow

Standard Model Lectures

Other pre-requisites
