

## **Session Program**

**16-18 Dec 2019**

# **NuPhys2019: Prospects in Neutrino Physics**

## ***Neutrinoless double beta decay***

Cavendish Conference Centre, London, UK  
22 Duchess Mews, London W1G 9DT, UK

# Monday 16 December

14:15

## Neutrinoless double beta decay

**Session** | **Location:** Cavendish Conference Centre, London, UK, 22 Duchess Mews, London W1G 9DT, UK

14:15–14:45 **Double-Beta Decay Experiments**

**Speaker**

Jason Detwiler

14:45–15:15 **Recent results from CUORE**

**Speaker**

Jon Ouellet

15:15–15:45 **Theory overview of neutrinoless double beta decay**

**Speaker**

Julia Harz

15:45

16:15

## Neutrinoless double beta decay

**Session** | **Location:** Cavendish Conference Centre, London, UK, 22 Duchess Mews, London W1G 9DT, UK

16:15–16:45 **nuclear matrix element, overview**

**Speaker**

Jouni Suhonen

16:45–17:00 **APPEC summary**

**Speaker**

Silvia Pascoli
