

NuPhys2019: Prospects in Neutrino Physics

Tuesday, 17 December 2019

Short-baseline neutrino oscillation experiments (reactor and SBN) (14:00 - 15:00)

time	[id] title	presenter
14:00	[11] nuclear theory talk	GANDOLFI, Stefano
14:30	[12] Neutrino cross section measurements	DOLAN, Stephen

Short-baseline neutrino oscillation experiments (reactor and SBN) (16:00 - 17:30)

time	[id] title	presenter
16:00	[19] Flux predictions	BERRYMAN, Jeff
16:30	[20] Reactor neutrino current status	ZHAN, Liang
17:00	[21] JUNO	SISTI, Monica
