

## Session Program

**3-5 Jun 2019**

# Gamma Factory Workshop - LAL/Orsay

## *Photon detection system and operation*

LAL - Laboratoire de l'Accélérateur Linéaire  
Salle 100 building 208

## Wednesday 5 June

08:30

### Photon detection system and operation: Photon detection system and operation

**Session** | **Location:** LAL - Laboratoire de l'Accélérateur Linéaire , Salle 100 building 208 | **Convener:** Yann Dutheil

09:00–09:30

#### Functional specifications

**Speaker**

Yann Dutheil

09:30–10:00

#### Photon detection concepts

**Speaker**

Thibaut Lefevre

10:00–10:30

#### Thomx X-ray detector overview

**Speakers**

Aurelien Martens, Kevin Dupraz

10:30–11:00

#### Coffee break provided by P2I

11:00–11:30

#### Operational constraints

**Speaker**

Francesco Maria Velotti

11:30–12:00

#### Towards concept

**Speaker**

Stephen Gibson

12:20
