

XSCRC2019: Cross sections for Cosmic Rays @ CERN

Friday 15 November 2019

Particle physics experiments and data - 4/3-006 - TH Conference Room (08:50 - 11:00)

-Conveners: Joachim Kopp

time	[id] title	presenter
08:50	[16] Nuclear fragmentation measurements with NA61/SHINE -- results and prospects	UNGER, Michael
09:20	[17] The COMPASS++/AMBER program for p-bar production cross-sections measurements	ZUCCON, Paolo
09:50	[18] Antiproton and charm production in proton-nucleus collisions with LHCb and prospects	GRAZIANI, Giacomo
10:35	[25] Recent results on nuclei and antinuclei production in ALICE at the LHC	COLOCCI, Manuel
