

Introduction

HSF Generators WG meeting
27/6/2019

News

- CHEP abstract accepted! <https://indico.cern.ch/event/773049/abstracts/105263/>
- We are considering to move to a monthly slot for the meeting
 - We typically don't have enough contributions for a meeting every two weeks
 - Want to keep some inertia, so don't want to reduce to less than monthly
- Other topics
 - Now that we are coming close to finalising the ATLAS & CMS accounting we want to start looking a longer term activities of the group
 - Please get in touch if you have ideas!
