

Session Program

25-26 Jul 2019

**Physics Workshop At The LPC: Multibosons At
The Energy Frontier**

New physics with multibosons

Fermilab, Wilson Hall, Hornets Nest (WH8XO)
Kirk and Wilson Roads, Batavia IL, 60510

Wednesday 24 July

15:45

New physics with multibosons: Beyond the SM with multibosons

Session | **Location:** Fermilab, Wilson Hall, Hornets Nest (WH8XO), Kirk and Wilson Roads, Batavia IL, 60510 |

Convener: Hannsjorg Weber

15:45-16:15

Direct searches for new physics with multiboson final states

Speaker

Michael David Krohn

16:15-16:45

multiboson production beyond the standard model (theory)

Speaker

Kaustubh Agashe

16:45-17:15

discussion

17:15
