

Share & Care

Tuesday 11 February 2020 15:00 (1h 30m)

Opportunity for each team to share what you're working with, the challenges you've encountered, tips&tricks for the other teams, ask for help, ask critical questions to each other, and most importantly help each other with network and connections.

Each team will have 2-3 minutes to present their case:

- Application area of the technology
- Who are your customers and users?
- What do you need help with?

Then the other teams follow up with questions and comments.
