## **UCLA Dark Matter 2020 Conference**

Wednesday, 25 March 2020 - Saturday, 28 March 2020 UCLA

## **Scientific Programme**

Axions, Alps, Wisps as dark matter

Dark matter searches at accelerators

Dark matter theory

Non-directional direct dark matter detection

Directional direct dark mater detection

Sterile neutrinos as dark matter

Dark matter and structure in the Universe

**Indirect dark matter detection** 

Primordial Black Holes as dark matter

**Dark energy**
