

TWEPP 2010 Topical Workshop on Electronics for Particle Physics

Tuesday 21 September 2010

POWER WG - Hörsaal III (18:00 - 19:15)

-Conveners: Philippe Farthouat

time	[id] title	presenter
18:00	[198] Serial power protection	LYNN, David
18:15	[199] Study and methodology for decreasing noise emissions of DC-DC converters through PCB layout	FUENTES, Cristian
18:30	[200] EMC CMS tracker upgrade project status	ARTECHE, Fernando
18:45	[201] Follow-up of previous meeting
