

Session Program

3 July 2019

Practice talks for EPS

***Particle Discovery Opportunities at the
International Linear Collider***

Wednesday 3 July

16:00

17:15

17:15

18:30

Particle Discovery Opportunities at the International Linear Collider: Particle Discovery Opportunities at the International Linear Collider

Session | **Convener:** Moritz Habermehl

Particle Discovery Opportunities at the International Linear Collider: Precision Higgs Physics at the International Linear Collider

Session | **Convener:** Shin-Ichi Kawada
