smarter locking

About Metra

- ✓ Among global leaders in **smart electronic locking systems for intelligent, centrally managed, on-line storage lockers**
- ✓ Smart locker solutions **in 60+ countries worldwide** (Corporate offices, factories, R&D facilities, nuclear powerplants, oil rigs, hospitals, universities, sport/leisure, etc.)
- ✓ Locker installations from **50 to 10.000+ intelligent lockers**
- ✓ **Access cards (99,9%), Mobile apps, PIN Code, Fingerprint, Barcode, QR code**
- ✓ Integrated with access control and facility systems (**Assa Abloy, HID, Kaba, etc.**)

Smart storage locker solutions

- ✓ **Daily lockers** (Daily visitors in waterparks, ski resorts, etc.)
- ✓ **Rental Lockers** (Payable baggage lockers at airports, stations, on cruise ships, etc.)
- ✓ **Workplace lockers** (Activity-based, permanent lockers for employees and students)
- ✓ **Custom storage Platform** (For third-party solutions, city bike lockers, beach lockers)

Workplace Delivery & Pick-up lockers

- ✓ Smart, low-maintenance, centrally managed, user-friendly delivery locker system
- ✓ Secure, discreet, error-free deliveries/pickups among CERN employees /others
- ✓ Each one can „send“ items to one or to many recipients, secretary → employees, employee → employee, employees → courier for outbound post, etc.)
- ✓ Recipient receives email with pickup info (locker location, unique QR/PIN code)

CERN Delivery & Pickup lockers

- ✓ Locker banks on strategic locations (Entrance, restaurant, indiv. CERN Buildings)
- ✓ Lockers at entrance (For incoming post/items + **for outgoing post**)
- ✓ At other CERN locations (For internal docs/items + for outgoing post/items)

- ✓ **Secure, discreet, simple, fun delivery and pickup process**
- ✓ **Nothing gets lost, forgotten, wrongly delivered/picked up, etc.**
- ✓ **Save time, money, less workload for internal distribution personnel** (internal deliveries processes „transferred“ to people using it)
